\$735,000 IN PLEDGES AND COUNTING!!!

Father Manny and the Campaign Committee are proud to announce that to date, we have received over **\$735,000** in pledges and over **\$125,000** in cash payments. This represents **15%** of our campaign goal of **\$5,000,000** from only **61 (2%)** of our parish families. We are very grateful to all those who have contributed to the “**Building a People of Faith**” Campaign and we thank you for your generosity. We are very blessed by the response to the campaign thus far and **we need your help** to build on our early success. In particular, we encourage everyone who has already attended a campaign reception to return your pledge card as soon as possible.

To reach our **campaign goal** of **\$5,000,000** we are all being called upon to sacrifice financially to the best of our ability. Your gift is essential to the success of this Campaign. We can accomplish our goal with the generous participation of each and every member of our community.

This is our parish and we will achieve our parish objectives through generosity and sacrifice. We ask that you make your personal decision in a true Christian spirit, to share with God’s people the gifts that God has given to you. Providing for the future life of our Parish is both our responsibility and our privilege.
